I can't express enough how glad I am to have had the opportunity to attend RYLA. It was a very amazing experience. Everyone was like-minded and very supportive of each other. Even though, I would have tests the week following, I have had NO REGRET going there. I loved every moment. I learnt a bit more about life. I really want to show my appreciation to the Rosebud-Rye Rotary club for sponsoring me and for the travel arrangement, and also would like to acknowledge the organisation work done by the Rotary Clubs of Morwell and Warragul. I hope to share more with you about my experience in the future. Thank you again to everyone from the Rotary community. Yours Sincerely, *James Tapa*

To make you smile

A lawyer and a senior citizen are sitting next to each other on a long flight. The lawyer is thinking that seniors are so dumb that he could get one over on them easily. So, the lawyer asks if the senior would like to play a fun game. The senior is tired and just wants to take a nap, so he politely declines and tries to catch a few winks. The lawyer persists, saying that the game is a lot of fun... "I ask you a question, and if you don't know the answer, you pay me only \$5.00. Then you ask me one, and if I don't know the answer, I will pay you \$500.00," he says. This catches the senior's attention and, to keep the lawyer quiet, he agrees to play the game. The lawyer asks the first question. "What's the distance from the Earth to the Moon?" The senior doesn't say a word, but reaches into his pocket, pulls out a five-dollar bill, and hands it to the lawyer. Now, it's the senior's turn. He asks the lawyer, "What goes up a hill with three legs, and comes down with four?" The lawyer uses his laptop to search all references he can find on the Net. He sends E-mails to all the smart friends he knows; all to no avail. After an hour of searching, he finally gives up. He wakes the senior and hands him \$500.00. The senior pockets the \$500.00 and goes right back to sleep. The lawyer is going nuts not knowing the answer. He wakes the senior up and asks, "Well, so what goes up a hill with three legs and comes down with four?" The senior reaches into his pocket, hands the lawyer \$5.00, and goes back to sleep.

My boss phoned me today, he said, "Is everything okay at the office?" I said, "Yes, it's all under control. It's been a very busy day; I haven't stopped." "Can you do me a favour?" he asked. I said, "Of course, what is it?"

"Speed it up a little, I'm in the foursome behind you!"

(EDITOR'S TIP: For those club members who haven't played golf, "a foursome" is a group of golfers playing a round of golf.)

A thoughtful Scotsman is heading out to the pub. He turns to his wife before leaving and says "Maggie, put your hat and coat on, lassie."

She says "Awe Jock, that's nice, are you taking me tae the pub with you?"

"Nae," Jock replies "I'm switching the heater off while I'm out."

This historic 1937 photograph records the untold misery that was experienced by polio patients that were confined to the so called "Iron Lung". This is a stark reminder of the difference that Rotary has made with its "END POLIO NOW" campaign that with the support of the Gates Foundation is now in sight of a Polio Free World.
