Exchange Student hosting Information

I urge members to consider hosting or perhaps aware of family or friends teachers that have a working with children check or would be happy to apply for same and host a student. The board would be appreciative of your attention to this matter. A reply at your earliest as exchange should be in place by end this month. our clubs committment sharing with Dromana club would be hosting for 6 months. President *Doug*

The basic costs of Rotary Youth Exchange in order to help with regards to clubs understanding of hosting costs -

Student meal costs for club meeting. \$1000
(Based on 40 meals at \$25 per night
Though this may be less as student
Does not have to attend meeting
Every week)

Pocket money for student. \$1440
(This is based on clubs paying students
The recommended minimum monthly
Allowance of \$120)

Camps. \$650

School uniform. \$200
(This is based on a student obtaining
Second hand school uniform and the
Cost quoted is a perceived maximum
As costs are actuals are usually much lower)

School books. \$200
(This is a cost that may not come up
As most students just loan books for
Their year in Australia)

District Conference costs. \$200
(This cost is for accommodation in
Conference weekend)

Total cost of. \$3690

Given that this cost would be shared between two clubs actual cost per club is \$1845, however there are a few costs that are optional for clubs which some clubs choose to pay for the student whilst others do not examples of this are -

Some clubs choose to pay a student monthly allowance higher than the recommended minimum.

Some clubs will pay cost of students doing ride to conference which is currently \$410 other clubs leave students to meet this cost.

In short if the Rotary club of Rosebud / Rye were to budget a cost of \$2000 to co-host with the Rotary club of Dromana this would be adequate in hosting a student.

Hope this helps in getting a feel for costs.

Paul Harris Fellow Recognition.

As members are probably aware each year the club awards Paul Harris Fellowship recognition and I have copied and pasted some stuff from RI about this.

What is a Paul Harris Fellow?

When \$US1000 is contributed to The Rotary Foundation, a request can be made for an individual to be recognised as a Paul Harris Fellow; that person can be a Rotarian or a member of the community who is not a Rotarian.

When a person is recognised as a Paul Harris Fellow, they are presented with a Certificate signed by the Rotary International President and the Chairman of the Trustees of The Rotary Foundation, and a lapel pin and medallion. The contribution to The Rotary Foundation can be made in one sum or by cumulative giving over a number of years. Individuals can make a personal contribution or the contribution can be from a club, a company or business.

There is no such thing as a Paul Harris Fellowship, and it is not an award; it is simply recognition. When a Club contributes \$US1000 to The Rotary Foundation, the Club sets its own criteria for naming a Paul Harris Fellow. Usually this is done to recognise an outstanding commitment to the Club or the community.

End of paste!-it is also possible to contribute \$US 1000 in one's own name or the name of another person and nominate them as a Paul Harris Fellow. It is well known that in Japan and some clubs in the USA-and now India as we heard from Peter Stahl when he was back-it is more or less compulsory to provide the funds to become a fellow when a person joins a rotary club. Traditionally in Australia clubs-and districts- award a Paul Harris Fellow to someone as RI noted above who has provided outstanding service to the club, to Rotary or to other community organisations.

It is also possible to award a sapphire pin or a ruby to someone who already has a Pal Harris Fellow Award to recognise their ongoing contribution.

In our club these awards are traditionally presented at changeover night. The club has ample credits -it has contributed substantially to Foundation over the years-and we would again like to award one or more Paul Harris Fellow awards this year. Again traditionally in Australia this is decided by the current Paul Harris Fellows in a club. Barry Irving will be organising the Paul Harris Fellows awards this year and he would like members of the club to nominate people from the community who they think would be worthy of the award-usually people who have served one or more community organisation well over a number of years. So please send your thoughts on this to PP Barry for consideration by the Paul Harris Fellows,

P.P. *Neil*

This morning I caught up with the woodworkers who were excited to show me the "Rockin Horse" that they are donating to our raffle in aid of the Rosebud Hospital CT Scanner project.

The swinging base and the horse are finished and they are just finishing the saddle, mane, tail and stirrups etc.

President Doug and I will arrange for tickets to be printed as well as the required permit from Raffles and Bingo board.

We hope to sell tickets up to December this year...our goal is \$10,000

P.P. *Barry*
