## Past President's Report

Last week we had as guest speaker Julie Simpson talking on the all-terrain vehicle that we had recently helped the Rosebud Police to acquire, primarily to help with their work on the foreshore, especially over the busy summer period. Although she had to speak early and head back to the station Julie was great and members enjoyed hearing about something we had helped to bring to fruition in the local area that will help the community. As she is a great contact of the club we may well be able to contribute to further joint ventures with the local police—we already cook for them on New Years Eve at the Rosebud Police Station which is much appreciated. She also brought some great pictures of the vehicle in action and Julie has added 2 of these to our website and they look great.

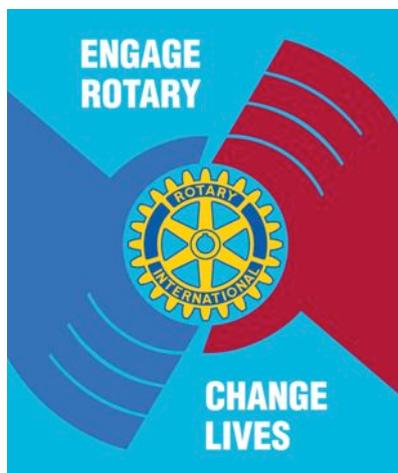

Tonight we have Declan Wayne our NYSF student taking about his experiences at NYSF which should also be terrific to hear and it is great that our club can support outstanding local students to broaden their educational experiences. NYSF as members may know is the National Youth Science Forum, a week-long event held every year in January for students about to enter year 12 and traditionally has been held in Canberra, but is now also run in Perth. Claire as youth chair will undoubtedly be organising Rosebud Secondary College again to interview candidates for next years NYSF and prepare them for the district interviews that will follow.

I would remind members of our upcoming special night with former Australian of the year Simon McKeon on Tuesday 13<sup>th</sup> May and we should endeavour to ask our family members and friends of rotary as well as possible future Rotarians to come along as it should be a great night.

Secretary Brian has e-mailed out a flyer during the week and we should be getting this out and around the place to publicize the event and make it a great night.

## Market Report April 2014

On Saturday we enjoyed great weather for the market and had a very pleasant morning. Stallholders and visitors were down a bit, possibly affected by the competing SES fun day at Rosebud but our takings were \$1570 in site fees and \$561.05 in food van sales giving a total income of \$2131 before expenses and gst. I did the early shift in the van this month and got to see Pat and the gate team in action and appreciate what they do at a pretty unsociable hour of the morning and often in far worse weather conditions than we encountered on Saturday. Thanks to the team which consisted of Barry stocking the van, Sue doing the site organising and money collection with Claire and Libby on the gate, Pat bringing the van down and taking it back and doing the late cooking shift, Linda and myself on the early shift and our new member Geoff Pledge doing the late cooking shift with Pat. As usual we had Bernice and Debra from Rosebud Guides helping out in the van and Don had helped Pat with the marking out earlier in the week. Pat tells me Geoff is a whizz in the van and puts the rest of us to shame so it is great to have him on the team. Thanks to everyone and we look forward to doing it all again next month.
