## **President's Message**

*Last week we had our guest speaker cancel at fairly short notice and member Geoff stepped in to give us his 'Man Behind The Badge' supported by a Power point presentation.*

*On Friday we were involved in the sausage sizzle at the Rosebud Secondary College. All members have received an email from Libby telling us what it was all about. Details can also be found on our website. Thanks to Libby for organising the event and guiding the young people who began this program.*

*At the same time Libby, Claire and Geoff attended a meeting with the Secondary College and architects regarding the building of the Empowerment (Wellness) Centre*

*On Saturday Neil, Libby and I attended the Cluster Group meeting at the home of Assistant Governor, Tyrrell McGeever. All, eight clubs in the cluster were represented and a lot of projects were discussed.*

*Neil promoted the Sister Carmel accommodation project in Frankston that has been on the list for some time now.*

*Libby presented the Empowerment Centre project at the Secondary College.*

*It was a very productive meeting and should result in better communication between the Clubs during the year and into the future.*

*The Archibald Prize Exhibition roster is again on the back. If you don't have your manual and cap please see Brian. If there are any changes please let Brian know so he can contact the organisers.*

*Next week we will have John Renowden telling us about Australian Rotary Health. The following week will be our Club business night where the board will report and members have the opportunity to comment and question.*

**Market Report October 2014**

Saturday was a glorious day weather-wise and we were looking forward to another good Spring market after the winter lull. One slight technical problem-the tow vehicle for the food van wouldn't start- again-but with the efforts of Barry and the RACV it finally got moving and Barry somehow managed to get it into place (with the assistance of Matt and others) at a later time than was desirable. From then on it was all good with good numbers of stallholders and good business in the foodvan-jam donuts continue to move well.

Site fees were \$1710 and food van sales were \$866.85 giving a total income of \$2576.85 (and one foreign coin) before expenses and GST. Thanks again to all our helpers-Barry for stocking and transporting the van, Pat for doing the marking out (with Don and Annie I believe), Sue for doing the bookings, our gate team of boss Libby with assistants Geoff, Matt and Mandy and our food van team of Barry, myself and the guide ladies Bernice and Debra. We look forward to doing it all again next month with- hopefully all sorted by then -a new tow vehicle-thanks to President Lee for organising this. It will be cup weekend so is likely to be busy and another potential opportunity to showcase our club, Neil
