President's Message

On Tuesday night we had the privilege of listening to John Renowden who is one of the senior district advisors with Australian Rotary Health. He gave us a great break up on where the funds raised across Australia are allocated. I was amazed at the variety of projects being undertaken and the millions of dollars raised by Rotarians.

At the Board meeting later that night it was unanimously agreed to fund all club members to be financial members of the Rotary Health program at \$100 per head. This was a great decision and we are fortunate to be able to afford such projects.

Through John and his committee we are hoping to see the majority of this money allocated to research into Parkinson's disease.

Last Friday at short notice I was invited, by Kristina from Mary's Food Van Committee, to the handover of a new Toyota food van by Gary Standford, senior manager with Bendigo Community bank. The bank has purchased the van for the group to use, a most impressive and generous act of support. The \$5000 that we had donated for a deposit on a second hand vehicle will now be used to fit out this new vehicle.

We are looking forward to a closer association with Kristina and the Committee.

This Friday I will be in Sydney to take delivery of a replacement second hand Toyota Land cruiser tabletop to tow our food van. This much needed vehicle update will be both a more reliable vehicle and a safer one for towing the van.

A reminder to all members that there will no meeting next Tuesday as its Melbourne Cup Day so see you all the following week. Happy Punting.

Regards President Lee

P.S. There will not be a bulletin next week
