President's Message

Last week our meeting was chaired by Claire Burns and we invited some of the students from Rosebud Secondary College who were part the group that went on a 21 day 'adventure' to an orphanage in Cambodia. Many of them were bogged down with exams and other commitments but we managed to get two students, Sarah Mann and Joel Knaggs to address the meeting and tell us about their life changing experiences. These included some that were fun, like riding an elephant and others that were heart wrenching such as meeting children that had nothing in this world but happy outlooks. We commend the students who took part, especially those who had to work hard to raise the money to cover the expenses of the trip.

Their teacher Jason Albress gave us a brief overview of the challenges faced by the students and what they actually did. They all learned a great deal about living in a third world country and we hope these experiences will inspire them to pursue their tertiary education and follow their dreams.

I also want to acknowledge the tremendous input from the staff at College who organised this trip. Our club is very proud to have helped support this very worthwhile project involving young people from the local area.

*After some discussion our club has decided to venture out of our regular format and have a business breakfast meeting. This is set down for the 9th December at Blue Mini Café at the heated pool, opposite Peninsular Timber. All members are urged to attend and to bring along a local business person as a guest. Meals are \$20, **Please RSVP by 2nd December to Secretary Brian.***

At our meeting this week we will have an exchange student from Essendon Rotary Club, along with Monique, our outgoing exchange student, and Liz Holtz attending.

*Our Xmas party will be at the Rye Hotel on Tues 17th, and Zoe is organising our Kris Kringle present giving, so please find out who you are going to be buying a present for. (between \$10 and 20 dollars) Partners and friends are welcome and it will be a night for us to have some fun at our last meeting for 2014. **Regards President Lee***

Warehouse Christmas breakup.

This year the Christmas breakup will be a little different. There will be cooked food brought in and the volunteers will have a sit down Christmas lunch. The waiting and clean-up jobs will be done by Rotarians.

We need a team of workers to make this event a demonstration of our appreciation of the work the volunteers do for the Club and Rotary.
