President's Message

Last week we were 'full on' with two lots of guest speakers.

First up we heard from 4 students from Tootgarook Primary School with their leader and chief constructor, Graham Sharrock. They told us about their adventure in participating in the RACV Energy Breakthrough in Maryborough last month. They thanked us for our contribution to the project without which they could not have made it. They acquitted themselves very well in the competition.

Later we had an interesting talk by Alison Lunt and Meagan Shannon about the 'Cushion Project' at Rosebud Hospital. The project is to get special equipment to prevent and treat pressure injuries. (Often known as bed sores)

It was great to have both our incoming exchange student Lyz and outgoing student Monique with us. Also there were Nick Deweer from Belgium and Ellen Andersen an incoming student from Denmark who is being hosted by Essendon Club. We wish Monique all the best for her exchange that starts at the beginning of January.

Other visitors Leon Riley from Sorrento Club, were Barbara Wyatt, Ellen's host mum and Brian Perry from the USA

Next week it is our Christmas breakup at the home of Judy and Ian Phelan. Every member has had an invitation and we need numbers by Thursday 11th. Partners are welcome. Start time is 6pm.

The warehouse Christmas breakup is on 19th December. We need member volunteers there by 11am to set up and prepare to serve our volunteers. Please email Brian to register for this great opportunity to recognise and thank our volunteers.

Our first meeting next year will be on 6th January at the Country Club.

Regards President Lee

Rotary Invocation

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

Loyal Toast: To Her Majesty the Queen, Australia and Rotary.

Warehouse Christmas breakup.

This year the Christmas breakup will be a little different. There will be cooked food brought in and the volunteers will have a sit down Christmas lunch. The waiting and clean-up jobs will be done by Rotarians.

We need a team of workers to make this event a demonstration of our appreciation of the work the volunteers do for the Club and Rotary.

Preliminary Market Report- December 2014

The gods seem to have something against us this year. Wet in winter we expect but November and December? Haven't added up the funds yet but is not going to be anything to write home about! Thanks to the brave people who opened it up in pouring rain-Pat, Libby, Claire with Barry, Geoff and exchange student Lyz in the van along with guide ladies Debra and Bernice and later myself.
