President's Message

Welcome back. I trust everyone had a relaxing break and return all fired up for the year ahead. Our Christmas breakup at the home of Judy and Ian Phelan was a great success and we pass on our thanks to Santa, Mrs Santa and the elves for making it an occasion to remember. Our Christmas breakup at the Warehouse had a different format last year. The volunteers were treated to a sit down lunch catered for and served by Rotarians and their manager, Norman. The format was well received by the volunteers who did not have to do the work for the event. Thanks to Brian, Norman and Barbara who helped me with the serving and to Pat and Claire for helping with the preparation. The remainder of the Rotary year will be a busy one with the Rotary 110th Anniversary and the 60th anniversary of our Club. Also we have District conference in March and other events where we can put our Club out there in front of the community. We will have another breakfast meeting in February. This will be in the same format as our first one with different people invited. In March we will have another one with a different format to which all earlier guests will be invited. The plan then is to hold these meetings every 3 months. During December we distributed all the scholarship certificates and the funds will be sent to the respective schools this month. For those of us who were able to attend the ceremonies and hand over the certificates it was an honour and a privilege. It was amazing to see the confidence demonstrated by all the students, not only the recipients of the scholarships. The new tow vehicle for the food van and extra pick-up and delivery vehicle for the warehouse is now ready for fitting the electrical braking system and signwriting. It has been a long process to identify and correct a fault in the front transmission. The seller has paid for all the parts that have been required. It now has a new front drive train.

Regards President Lee

Report on New Year's Eve Catering

As we have for the previous 2 years the club took the food van to Rosebud Police Station to cook a meal for the police on duty on New Year's Eve. The weather was kinder this year with a very pleasant mild day and Barry and Lynne along with Doug, Linda and Linda's sister Emma did the cooking for 115 grateful policemen and women who very much appreciated the club's efforts to help them prepare for their unenviable duties on New Year's Eve-which incidentally seemed to be rather quiet and incident free from what I can gather. This now annual event cements an already excellent relationship between the club and our local police force and flies the club's flag in a very positive way. Thanks to all who contributed especially Barry for bringing the van and doing all the running around on our packed roads at this time of year.

Market Report January 2015

Saturday was a rather hot and very windy day and not ideal weather for a market on the foreshore. We really have had shocking luck with the weather with November and December both being wet market days and this month heading in the other direction. Nevertheless our team did a great job with Pat marking the sites and Sue doing the bookings and Libby, Claire-(don't think you needed the Michelin Man jacket this month!) and Mandy doing the gate and Pat, Barry, Linda and myself along with Debra and Bernice from the guides doing the food van. Some stallholders pulled out in anticipation of the weather but most of our regulars were there and our site fees were \$1945 with food van sales also down on expectations and I counted \$511.25-as long as the Bendigo Bank machine likes all of our coins. Next month we have the market and then our catering at the Herald-Sun Tour cycling race at Arthur's Seat on successive days so we will have our work cut out again but it is all fun and great promotion for the club,

Neil
