President's Message

We've had our first meeting for the 'New Year.' Welcome back every one. I trust you all had an enjoyable break and managed to stay up long enough to see the New Year in. We only had a small group at our last meeting as many I guess were still on holidays. It was good to see some of our long standing members return.

It was also Monique's last meeting before she heads off to start her Rotary exchange year in Belgium. We all wish her a great year. From my own experience I am sure she will return home a wiser and changed person. We look forward to hearing her relate the many unique experiences of that time when she returns. We know so much at sixteen and so little at sixty. Oh to be young again!

It was also great to have Monique's parents come along to the meeting and enjoy the fellowship.

Our next breakfast meeting will be held on the 10th February at the same time and venue. However we will be inviting a new group of local business people. The plan is to re-invite everyone again to a meeting with a guest speaker every three months. Hopefully this will engage some new younger business people with Rotary.

Our new Landcruiser is finally sorted and drives like new. It has had the electric brakes fitted and now needs the sign writing done. This time it will have less detail as there is less room.

We have also appointed an agent from Rosebud to auction Rotary House. The auction is scheduled for late February so let's hope we can then find a suitable block of land to purpose build our very own warehouse.

Regards President Lee
