President's Message

Last week we had a very inspiring speaker, Rychelle Vines talking about her Cross Country Education Project. Rychelle was the Koori coordinator at Rosebud Secondary College and has taken a year without pay to set up a program to promote cooperation between remote indigenous communities and city based schools and colleges. Rychelle had with her a past student, Molly, from Rosebud Secondary College who was a participant in the programs Rychelle was running at the college. Molly spoke of her experience in visiting a remote indigenous community and being able to connect with her heritage. The board will be considering a request for funding for the project at our meeting this week.

Our next breakfast meeting will be at the Blue Mini Café at 7AM on the 17th February. If you are inviting anyone please let Brian have the name and contact details so they can be added to our contact list. We have a list of businesses on the industrial estate that we intend to invite and we need volunteers to deliver the invitations in person.

We will have the food van at the Rye foreshore on Australia day. We will be serving food and drinks for the afternoon and evening. Anyone interested in helping (and getting a ringside view of the proceedings) please let Barry Irving know.

The Garden party at the home of Judy and Ian Phelan will be held on 12th April. There will be a plant stall so please pot up some nice cuttings and bring them along.

In May this year your Club will celebrate its 60th anniversary. How will we celebrate this? Suggestions are welcome and volunteers for an organising committee are needed.

See also the back page for other important events that have been circulated by email to all members.
