President's Message

Last week our guest speaker was Cathy Clark. Not only is Cathy a delightful person but she is also a breast cancer survivor. Cathy spoke of her ordeals and challenges she faced as a young mother of three and in her late thirties. Early detection as in all cancers is the key to a full recovery. Cathy's stats if I remember correctly were that 93% of all breast cancers patients are cancer free five years later.

I was pleased to be able to purchase a calendar from Cathy which I will send to my sister who is also a breast cancer survivor. This calendar was put together late last year on Cathy's initiative and included eleven other breast cancer survivors who all wanted to get their individual stories heard.

These strong women wanted to have some fun and support each other but most importantly to raise money to support breast cancer research. This they did, raising over \$10K. What a mighty effort.

Please members be mindful of coming events. The breakfast meeting is on February 17th at 7.00 am. Please try to invite two small business people. E g, your accountant, lawyer or bank manager.

This won't be a success unless we all make an effort.

We also have a garden party coming up on 12th April at Ian and Judy Phelan's property.

On 17th March the Country Club is not available for our meeting. Members are encouraged to visit other Clubs in the area during that week. Don't forget to let the club you will visit know you are coming. A list of contacts and meeting days for the Clubs in the Cluster group will be published.

Regards, President Lee

Our guest speaker for this week. Frank Spiteri, the District Insurance Officer, may not be able to make it as he has had an accident. Hopefully he was well insured!

Market Report Feb 2015

Saturday was warm to hot and once again fairly windy but not as bad as last month. Stallholder numbers looked pretty good and the people in the food van assured me that sales were going well until I arrived whereupon they dipped somewhat. Site fees were \$1450 and food van sales were, by my calculations, \$589.05 but to be confirmed by Bendigo Bank on Monday.

Thanks again to everyone-**Pat** for marking out and bringing down the van and setting up, **Barry** for stocking the van, **Sue** for organising the sites, **Libby, Claire and Mandy** making a great team on the gate and **Pat, Barry**, myself and the guide ladies **Debra and Bernice** for doing the cooking-Bernice is celebrating 60 years as a guide leader this week –well done Bernice-and both ladies have been helping out for we think the last 6 years but we are rapidly losing count. Next month the first Saturday is part of the Labour Day Weekend so will again be busy.

Neil

P.S. On Sunday we had the food van at Arthurs Seat for the Jayco, Herald Sun Tour finish. More information next week
