## **President's Message**

*Unfortunately our programmed guest speaker Frank Spiteri cancelled because he had an accident. We hope he is all right and look forward to hearing from him in the near future.*

*As a result Mandy Clarke, one of our newer members, was asked to speak on 'member behind the badge' and what a great presentation it was: Enjoyed by everyone and done on very short notice. Well done Mandy!*

*I always really enjoy these short talks as they are usually informal and very informative and give all of us great insight into a particular member's journey thru life. And in many cases they illustrate how these people just love to give something back to our community. This attitude and fulfilment comes out in so many of our members and volunteers.*

*The breakfast meeting plans are well underway with a whole new group of business folk coming along to hear what Rotary has been doing in the local community and what our plans are for the future.*

*The Fight 4 Life Youth Club has paid the rent for February with our help and other supporters have paid three out of the last four months rent that was in arrears and other outstanding accounts like electricity.*

*Now where do we go from here? This club will need ongoing support and direction and a barrage of supporters and friends. It needs about \$40K a year to function and a strong committee.*

*There will be much discussion and consideration on this in the near future.*

*See you all at the breakfast meeting, hopefully.*

*It is so good to see our club moving ahead in so many areas*

*Regards to all*

**Report on Jayco Herald-Sun Tour Catering**

On Sunday 8<sup>th</sup> February we provided catering for the Jayco Herald-Sun Tour bike race finish at the top of Arthur's Seat. Fortunately it was a cooler day than predicted or we may have warmed up in the van a bit. Brian and Barry came up early with the van-negotiating all the broadcast equipment and team vehicles and got a nice spot under the trees just off the main road about 50 metres from the finish line. Linda and I arrived later with the bread, milk and most importantly the float and we were in business. It was a pleasant afternoon in a colourful carnival atmosphere with all the support people and race watchers.

As first time caterers at this event it is always tricky to know how busy you will be but we were pretty busy all day with some peak periods-especially 5 minutes after the race finished!

Being a cooler day coffee and jam donuts were much appreciated and we also moved a hell of a lot of sausages in bread.

At close we packed up and drove back to the warehouse to garage the van. A long day-especially for Barry who did the market the day before but a fun one.

Our sales came to \$1014.25.
