Report on Luke Batty Memorial Ride

On Saturday the club provided catering to the Luke Batty Memorial motorbike ride from Frankston at its destination, the Bayview Church of Christ in Jetty Road. It was a beautiful autumn morning and Brian got the van down nice and early and after a few teething troubles with our power supply we were busy cooking in anticipation of the hungry bike riders descending on us en-masse. The numbers weren't quite as large as expected, but they all arrived at once and wanted feeding and for an hour or so we were really busy getting the sausages, dim-sims, donuts, coffee and soft drinks out the door. Having the second milk frother was great as was the electric bain-marie Brian seconded from the warehouse. This will be great for similar events when we need to have food ready for a large number of people all at once.

Libby was taking the money-and trying to dissuade every second person from using \$50 notes, Brian was getting the sausages, dim sims and drinks to the counter, Barry was on the stove, Linda did donuts and I was in charge of coffee. It all went pretty smoothly and was a great community event for Rotary to be a part of. Food sale takings by my calculations were \$711.30 to be confirmed at the Bendigo Bank on Monday.

At the end of the day we were back to the warehouse to clean out the van for its next adventure - Ride to Conference next week Neil
