## ***President's Message***

***President Lee is away so this is contributions from others.***

***First an apology that Julie was left off the list of those attending District Conference in last week's bulletin.***

***District Assembly will be at Churchill on April 19<sup>th</sup>. This is a learning and development day for all Rotarians, with a number of different workshops and something for everyone. President Elect Libby will be getting the names of those wishing to attend and letting the organisation know who will be there.***

***Last week we had our 5<sup>th</sup> Tuesday social night at Aromas Indian restaurant attended by a total of 18 members and guests. We were pleased to welcome back Carmel and John Love Rotarians from Albury North who have attended a number of our regular meetings. We also had Stan and Nola along with a number of member's partners. It was a very enjoyable evening with excellent food and service.***

***This week we are looking forward to hearing from Ally Gu telling us about her experience at the National Youth Science Forum.***

***Last Wednesday 6 members and 4 'helpers' attended the Food Handling Certificate course at Advance training. We were joined by members of St Mark's Church Dromana. Having more people with Food handling certificates will ease the pressure on our regular cooks and bottle washers.***

***On 5<sup>th</sup> may we have the RACV professional team telling us about Safety In The Home. This will be a very relevant subject and we have agreed to have at least 20 people in the audience. May 5<sup>th</sup> might seem a long way off but it gives us time to invite guests to what will be a topic relevant to us all.***
