President's Message

Last Tuesday night we had our meeting at the warehouse. It was decided because our normal room at the Country Club was not available and our meeting area at the Rye Hotel is been renovated so this was a good option. So pizzas were ordered and I think everyone enjoyed doing something new. Our guest speaker was a Rotarian fromand was our scheduled guest speaker from a few weeks ago. His name was and he spoke about 'The Rotary Insurance Scheme' I understand he was very knowledgeable and provided an insight into all aspects of insurance and our responsibilities as Rotarians and those of our club. I was sorry to have missed this meeting as I had the flue. However Brian informs me that we still provided a couple of difficult questions which required a 'get back to you' This is all valuable information and a better understanding of the right processes will benefit all members.

On the weekend a number of members from our club attended the District Assembly in Churchill. This was a day of learning about the so many aspects of the different projects our district supports and sponsors. There is always so much new to learn and some people have amazing projects which they drive and are passionate about. The ones that stood out in my mind range from a group of Rotarians from Perth who make a wheelchair for children and send all over the world. The total cost is \$150 and so far they have made over 3,000. What a great project and I never ceased to be in awe of what a couple of people can drive and achieve. There are others like 'the Shine on Awards' only one person was put forward from this district last year, lets try and find someone in Rosebud or Rye we can nominate.

On another note I would like to organize a visit maybe next week to the D I K depot on Somerville
