President's message

Last week we had Steve from RACV talk to us about car and house security. Steve revealed some safety practices we have to improve on, and according to his stats, Rosebud is twice as safe as Rye to live in! Also, he gave us the basic rules about car security practices, like don't leave your car unlocked. He also advised not to leave your car keys on the kitchen table or where people can pinch them when you aren't looking. Most break-ins occur between 9am and 5pm and 36% of stolen vehicles are never recovered.

Most of this is common sense but I am sure it's good to get a reminder of how our behaviour and habits can make us vulnerable. The message is that there is no room for complacency.

This Monday night there will be a meeting at Zoe's house, starting at 7.00pm, for all Paul Harris Fellows to nominate the worthy recipients for this year. I hope as many PHF's as possible can attend to provide a balanced assessment of the prospective individuals being put forward for this award.

We need to recognize and acknowledge individuals who have made an outstanding contribution through service to the ideals of Rotary, and to our club and community over the last two or three years. This is a great process to recognise and thank these volunteers and it also works well as a means of inspiring others.

The meeting this week will be at the Country Club and, like last week, we are expecting a good roll up of guests who almost outnumber our members at times.

A special thanks to those who took the time to notify about not requiring a meal.

Regards, President Lee
