## Past President's Report June 16<sup>th</sup> 2015

*Last week we cancelled our meeting and went to Dromana Rotary to share their meeting on Thursday night.*

*And what a good decision this was. We had a great representation of members and were made very welcome by Dromana President Merv Prosser and his team, caught up with a number of old Rotary Friends and we were able to sit back and enjoy the presentation by Lyz Holz our shared exchange student from Lockport, New York State, USA.*

*Lyz gave a terrific talk from her initial form-filling in and interviews back home to her arrival in Melbourne some 32 hours after she left home. She then took us through her time in Australia, her experience at Dromana Secondary College including a school camp to the Otways as well as the various Rotary activities including the much anticipated Rock to Reef trip with our district's exchange students as well as students from Tasmania, South Australia and Queensland. Lyz was very complimentary of her 4 host families as well as her counsellors -our own Libby Wilson and Sue from Dromana. Lyz seems to have had a great time and really come out of her shell during the year.*

*It was nice to pop down to Dromana and see how another club ran things-very similar to our own really but it was a great night. I suggest we try to arrange a joint meeting with Dromana next Rotary Year even though we are going it alone with our exchange student next year.*

*We are eagerly awaiting our student debate on the ongoing relevance of Rotary tonight. This should also be a great night,*

*PP Neil*
