Secretary's Notes June 23rd 2015

With no report from our President this will have to do.

Anyone who missed the Monash debaters last week missed a very good presentation in debate format on the subject "is Rotary relevant today". The arguments for and against were well presented and gave us a lot to think about.

Thanks to Pat we have a video of the event that will be something to use as we go into next year.

We were joined at the meeting by District Governor elect Merv Williams, Bob Donaldson and Ross Whitehead from Dromana, Heather Barton from Melbourne and regulars Carmel and John love from Albury North.

Would any member who has not yet paid for changeover please do so at the Club meeting. It makes things so much easier on the night.

Remember there will not be a meeting next week (30th June) and we look forward to the 7th July with our new President.

I thank Club members for their help and support during the past year and look forward to an even better year next Rotary Year.
