## President's message

**Remember, our meeting on 4<sup>th</sup> August is at the "Ice Forum" Wilsons Road, Mornington at 6PM.**

## Board Meeting

As previously advised, the minutes of the Board Meetings will be stored on the members only section of the Club Website.

Key Issues for the last meeting included:

- Continued search for appropriate site to build our own Warehouse
- Immediate need to develop our membership program including recruitment policy and relevant documentation
- Revision of recruitment, retention and employment policies for the Warehouse.

Members with constructive suggestions on any of these issues may raise them at a weekly meeting or e-mail or call me to discuss.

## Annual General Meeting

Minutes of the AGM held on 28 July 2015 will be stored in the members only section of the website.

## Youth Exchange Student

Camilla reports that she has been made most welcome at Rosebud Secondary College and has settled in well with her host family whom she thinks are just great!

## Roving Rotarians

It was good to welcome Brian Allen back from his travels last week and receive an update on the proposed Siem Reap Project which we will support. Also good to see Ernie at the meeting.

## Membership dues

Just a reminder, that if you have not yet paid your membership subscription yet, it is now overdue.

**Libby Wilson**

Rotary Caulfield is pleased to be associated with an exciting concert being staged by our newest member, Alan Kogosowski, well known to many Rotary clubs. This is part of his initiative of bringing great music to school age students as well as old fogeys - everyone is invited!

The first event in this series at the magnificent George Jenkins Theatre at Monash Frankston campus - 30 minute drive from Melbourne - will take place on Sunday September 13th at 3pm - 5pm. There will also be a masterclass for students and others at 11am - 1.

The concert will be '**Kogosowski and Chindamo**'. Joe Chindamo, Australia's internationally famous jazz pianist will join Alan in an unusual programme which will consist of Chopin in the first half, and jazz interpretations of Chopin in the second. (I'd go to *that* concert!). They might even play Gershwin's *Rhapsody in Blue*.

To ensure your booking, telephone Sophie on 9532 7593. (Rotary benefits \$5 from each booking).

See you there!

### **Kogosowski and Chindamo**

Monash University Peninsula Campus is committed to community engagement.

This includes engagement with the Frankston City Council, Mornington Peninsula Shire Council, local schools, hospitals, industry and the community at large. As part of this engagement we are showcasing a number of performances, classical, jazz and musical theatre at our George Jenkins Theatre under the guidance of renowned concert pianist Mr Alan Kogosowski.

You will not be disappointed.”

“

Joe Chindamo, Australia's formidable jazz pianist and internationally acclaimed composer, joins Alan Kogosowski, Australia's great classical pianist and international recognized authority on the music of Chopin, in an exciting concert combining classical and jazz - and showing that perhaps there's not that much difference after all.
