## Rotary Information

During June we had presentations from District 9820 representatives Sam Graham-Foundation Promotion and John Paterson –Interplast. These presentations were particularly useful for both new and long-standing members.

## Breakfast Meeting

Sue Williams, CEO Peninsula Health, spoke at our June Breakfast meeting, addressing the issue of the challenge of expanding services at Rosebud Hospital. Sue outlined four options which are currently being investigated. She stated that if the Hospital needed to move to a new site, it would be in close proximity to the current one. Access to the freeway is a major consideration when considering the options. Amongst other issues, the current site presents the challenge of lack of parking space and difficulty in accessing the main roads when leaving the hospital, particularly during holiday periods.

### **Members Movements**

Our “**Having fun away**” members out-number those “having fun at home” for the past & next few weeks.

**Zoe and Phil** have crossed the country from West to East –last heard from in North Queensland Coast.

**Col and Chris** are enjoying the warmth and humidity at Mission Beach.

**Lee** has been whipping between Victoria and NSW as he welcomes his new granddaughter and visits his family.

**Neil and Linda** had a brief sojourn in beautiful Bright.

**Brian & Marg Allen** are heading bush, prior to Brian flying to Cambodia to progress the “Toilet Block” Project.

**Barry Osborne and Nan** are heading north this week for a couple of months.

**Gun and Brian Davenport** are off next week to visit Gun’s family in Sweden and to attend a family wedding

### **Not Having so Much Fun**

**Ern Jennings** has successfully recovered from surgery to both eyes. He and Betty are hoping to attend a meeting in August before heading off to Queensland to celebrate their 50<sup>th</sup> Wedding Anniversary—so there is some fun coming up for Ern and Betty!

It was great to see **Judy Phelan** along with Ian at our meeting this week. Judy has just spent several weeks in hospital and rehabilitation following surgery. She will need to return to hospital for more surgery at a later date. Judy will share her experience of undergoing surgery to treat Parkinson’s at an upcoming meeting.

**Claire Burns** is also just home after several weeks in hospital and rehabilitation following back surgery. Claire is required to spend at least 5 more weeks at home undergoing rehabilitation prior to being able to travel regularly by car.

**Barry Irving** has also recently had another episode of ill health. Hopefully he is now on the mend.

### **Market Report**

In the absence of our key “regulars”, Barry I, Neil, Pat and Claire, the “relief team at the Market did a mighty job last Saturday. Darren collected the van and set up and cooked with the help of Mandy and our two regular Guides, Bernie and Deb, with Lee coming to help cook and clean up before returning the van. It was our first Market following introduction of the requirement for all stall holders to have insurance, and the gate team of Mandy & Libby were fortunate to have the assistance of weekender, Joan, to manage the process.

Stall numbers were down due to the time of year and the inclement weather which made itself felt early in the day. However, the van crew were kept extremely busy from mid-morning on. Darren and Mandy get the yellow jersey—Darren for his cool as a cucumber first solo effort with the van and cooking and Mandy for being her usual happy, helpful self---starting at 5.15am and still being there cleaning up when stumps were called. Yes, that is a very mixed sporting metaphor sentence---however, they are both team sports and team work is what our club does so well.

### **Sausage Sizzle**

Pat together Doug also performed a Herculean task at the Election booths at Rosebud Secondary College on Saturday. With set-up and assistance with replenishing stock from Josie and Brian D, they had net takings in excess of \$1100 on the day.

### **2016 Strategic Plan and Changeover**

As discussed at meetings in May and June, we will not have a formal changeover event this year. Our Board membership and Executive roles remain unchanged except for the addition of Zoë and Col as Board members.

We will have a “Clayton’s Changeover” on 13<sup>th</sup> September at the time of the District Governor’s first visit to our Club for the year.

Based on discussions held with members to date, a draft Strategic Plan will be presented for at our meeting on 26<sup>th</sup> July. This will be finalized as soon as all the members who have been away have had the opportunity to comment and/or make a contribution.

**Weekly Duty Roster---please change with another member if you will not be available on allocated dates...please note trial of having Cashier, Guest Liaison and Toast duties allocated to a member one month at a time. For discussion at next meeting**
