**Brian Allen** has been doing the hard yards in Cambodia, finalizing the details necessary to get the Siam Reap School Toilet Project under way. The contract is now signed between the school and the two Rotary clubs with a projected project completion date of April 2017. Pictured are Brian with members of the School Board and the School Principal.

## Serving humanity through vocational service

Since the earliest days of Rotary, service to humanity has been our cornerstone and main purpose. RI President John F. Germ believes that Rotary, like no other organization, effectively brings together committed, capable professionals in a wide variety of fields, then enables them to achieve ambitious goals. Rotarians have the capacity, the network, and the knowledge to change the world. President Germ is challenging Rotarians to use their skills to catapult Rotary forward to be an even stronger force for good in the world. Read more about John Germ's 2016-17 theme, [Rotary Serving Humanity](#).

Last week's meeting provided the opportunity for a small group of members to discuss the draft **Strategic Plan**. It is pleasing that, with the input of our new members, and by increasing collaboration with other organizations, we will be able to increase our focus on Vocational issues this year.

We were fortunate to receive a **District Grant of \$1875** to support our Youth Employment-Pathways project. This will be run in partnership with several organizations. **Heather Barton** will lead the project and **Seawinds Community Hub** will be the lead organization.
