The Board of RCRR Enterprises Ltd, comprising: Chairman – Paul Mee, Vice Chair/Director – Gael Traa, Secretary/Director– Claire Burns, Treasurer/Director – Philip Hedley, and Directors Heather Barton AM, Bernard Wong, and Barry Irving OAM. Elizabeth Wilson is an ex-officio Board Director and General Manager. (Since Oct 2023, Gael Traa has been Acting Secretary).

It is with pleasure, that I report another successful year for the company. During the 12 months period to 30th June 2024, the Rotary Warehouse business, the Rotary Op-Shop, and the company have performed, very well, yielding strong net returns. The company has achieved a sound net financial surplus and has sound balance sheet equity as at 30th June 2024. Please refer to the accompanying audited financial statements for the full details.

This success would not be achieved without the professional leadership and passionate commitment of our Rotary Warehouse and Rotary Op-Shop General Manager Elizabeth (Libby) Wilson. We should also thank Treasurer Philip Hedley, banking officer Bernard Wong, our Administration Officer Sandi Kenny-Row, and our **wonderful volunteers**. The Warehouse business is a fantastic example of recycling and repurposing furniture and the full range of household items that in many cases would be destined for landfill. We also recycle, and sell clothing, books, and second-hand goods.

Congratulations to our dedicated warehouse volunteers led by the Warehouse Supervisors Russell, Sharon, and Ian. In addition, our Rotary Op Shop near the Rosebud Plaza, has also achieved a very good net return this year, thanks to our fabulous team of Op-Shop volunteer ladies who work regular shifts Monday to Friday, week after week.

During the past year the Rotary Warehouse has received several calls for help and happily we have been able to donate 'fridges, washing machines, furniture, and good quality second-hand goods to families in need in our local community. Our **"donations in kind"** value **exceeded \$5,000** for the year.
